

DO YOU WANT TO SUBMIT A MANUSCRIPT?

Baobab Books is a non-profit publisher based in Basel, Switzerland. The promotion of the intercultural dialog is at the centre of our work.

Our book programme consists of childrens' and youth books by authors from Africa, Asia, Latin America, Oceania, and the Middle.

Their works are translated from the respective original language into German by Baobab Books.

Formally, our focus is on contemporary and narrative children's and young adult literature, with a special interest on ethnic minorities. We do not publish non-fiction, anthologies, fairy- or folk-tales.

→ If your book project meets the above criteria and you believe that it also fits our publishing profile stylistically, please send us in electronic form (PDF format only):

- a summary of the content in English
- in the case of novels, at least one sample chapter in the original language
- for picture book projects, the complete content (text and image)
- a short author biography (max. 1 page)

to the following address: manuskript@baobabbooks.ch

→ Please do not send us any originals, we assume no liability for unsolicited manuscripts. A postally submitted manuscript will only be returned at your express request and with an enclosed, pre-addressed and sufficiently stamped envelope (Swiss stamps).

→ If the above requirements are met, we will be happy to check your entry. You will get a reply from us in due course. We receive a large number of manuscript submissions and would like to point out that the examination may take some time.

Please note that due to time constraints it is not possible for Baobab Books to:

- provide opinions and advice on submitted manuscripts,
- provide assistance in finding a publisher,
- justify content-based rejections.

Thank you for your interest.
